**Subject:** Shenfield R03 - Housing policy

Hi all,

We have spoken to the Director of Housing, and their department is experiencing some resourcing issues which results in significant delays in sending out comments.

I have been informed that they are prioritising this. However, I suggest you start working with the latest updated SHMA (see attached) for the housing mix in case there might be further delays.

Kind regards,

Shanshan

**Shanshan Li**
